#### **DIRECTORS' REPORT**

The Directors present their report together with financial statements of Narwee Baptist Community Broadcasters Limited for year ended 30 June 2020.

#### The Principal Activity

The principal activity of the company during the financial year was to act as a broadcasting station for the benefit of the community.

There has been no change in this activity over the last year.

#### **Objectives**

The company aims at providing a broadcasting service covering south western Sydney. In particular a variety of programs are offered, including programs of a Christian and also a multi-cultural basis.

Objectives are achieved by way of good management of the radio station, effective programing and broadcasters.

#### Measurement of Objectives

The Directors refer to research commissioned by Community Broadcasting Association of Australia and also listener feedback.

From a financial viewpoint regular monthly accounts, bank balances, payments and receipts are reviewed.

This financial year (30 June 2020) Profit after Income Tax was an increase on the previous year's result, largely due to a higher amount of grants taken up in revenue together with the government stimulus benefits of jobkeeper and cashboost rebates received during the financial year.

The Net Profit after Income Tax for the year ended 30 June 2020 was \$61,372 (2019 : \$2,825).

#### **Company Secretary**

The Company Secretary at the end of the financial year was Trevor Dalgleish.

# NOTES TO AND FORMING PART OF FINANCIAL STATEMENTS YEAR ENDED 30 JUNE 2020

The financial statements cover Narwee Baptist Community Broadcasters Limited as an individual entity, incorporated and domiciled in Australia. Narwee Baptist Community Broadcasters Limited is a company limited by guarantee.

The financial statements were authorised for issue on 19<sup>th</sup> October 2020 by the Directors of the company.

### SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### **Basis of Preparation**

These financial statements are general purpose financial statements that have been prepared and audited in accordance with the Australian Accounting Standards (including Australian Accounting Interpretations), the Corporations Act 2001 and the Australian Charities and Not-for-profits Commission Act 2012. The company is a not for profit entity for financial reporting purposes under the Australian Accounting Standards.

Australian Accounting Standards set out the accounting policies that the Australian Accounting Standards Board (AASB) has concluded would result in financial statements containing relevant and reliable information about transactions, events and conditions. Material accounting policies adopted in the preparation of these financial statements are presented below. They have been consistently applied unless otherwise stated.

The financial statements, except for cash flow information, have been prepared on an accruals basis. Valuations are based on historical cost method and do not take into account changing money values.

#### NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### a) Revenue

Income from rendering a service is recognised upon delivery of that service to the client. Grants recognised as income for the period to which they relate. Donations are recognised as revenue when received. Interest is recognised as revenue when received. Sponsorship is recognised as revenue when received. All revenue shown is net of Goods and Services Tax (GST).

#### b) Property, Plant and Equipment

Property, plant and equipment is measured on a cost basis and depreciated on a prime cost method over their estimated useful lives.

The carrying amount of equipment is reviewed annually by the Directors to ensure it is not in excess of the recoverable amount from these assets. The recoverable amount is assessed on the basis of the expected net cash flows that will be received from the asset's employment and subsequent disposal.

(A Company Limited by Guarantee)
ABN: 42 990 219 074

# NOTES TO AND FORMING PART OF FINANCIAL STATEMENTS YEAR ENDED 30 JUNE 2020

#### NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Accounting Policies: Property, Plant and Equipment (continued)
The expected net cash flows have been discounted to their present values in determining recoverable amounts. All property, plant and equipment is depreciated over the asset's useful life to the company commencing from the time the asset is held ready for use.

The depreciation rates used for each class of depreciable assets are:

Class of Fixed Asset

**Depreciation Rate** 

Plant and equipment

10 years

IT equipment

3 years

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

#### c) Cash and Cash Equivalents

Cash and cash equivalents are recognised at face value.

#### d) Impairment of Assets

At each reporting date the company reviews the current value of its assets to determine whether there is any indication that those assets have been impaired. If such indication is this, the recoverable amount of the asset, being the higher of the asset's fair value less cost to sell, and value in use, is compared to the asset's carrying value. Any excess of the carrying value over its recoverable amount is expensed to the statement of comprehensive income. Where it is not possible to estimate the recoverable amount of an individual asset, the company estimates the recoverable amount of the cash generating unit to which that asset belongs.

The company assesses impairment at each reporting date by evaluating conditions specific to the company that may lead to impairment of assets. Where an impairment trigger exists, the recoverable amount of asset is determinable. Value in use calculations performed in assessing recoverable amounts incorporate a number of key estimates.

# NOTES TO AND FORMING PART OF FINANCIAL STATEMENTS YEAR ENDED 30 JUNE 2020

#### NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

#### e) Employee Benefits

Provision is made for the company's employee entitlements arising from services rendered by the employees to the company at the end of the reporting period. Employee benefits that are expected to be settled within 12 months have been measured at the amounts expected to be paid when the liability is settled and are shown in the financial statements as current liabilities.

Employee benefits expected to be paid later than 12 months have been measured at the present value of estimated future cash flows to be made for those benefits and are shown in the financial statements as non current liabilities. In determining the future cash outflows, consideration has been given to wage increases and probabilities and the employee may or may not satisfy the vesting requirements. Those cash outflows are discounted using market deals on Government bonds with term of maturity to match the expected timing of the future cash outflows.

#### f) Superannuation

Superannuation contributions are made to the employee's superannuation fund as per the legislative requirements. Superannuation expenses are recognised as they are occurred.

#### g) Trade and Other Receivables

Most receivables are settled by due date, however receivables have been reviewed for the possibility of monies being uncollectable. The company does not have any material credit risk in this area as the present provision for doubtful debts is believed to be well sufficient.

#### h) Goods and Services Tax (GST)

Revenue, expenses and assets are recognised net of the amount of GST except where the amount of GST incurred is not recoverable by the Australian Taxation Office. In these circumstances the GST is recognised as part of the cost of acquisition of the assets or part of an item of expense. Receivables and payables in the balance sheet are shown inclusive of GST. The GST payable to the ATO is shown in the balance sheet under trade creditors and other payables.

#### i) Income Tax

The company enjoyed exemption from Income Tax.

ABN: 42 990 219 074

# NOTES TO AND FORMING PART OF FINANCIAL STATEMENTS YEAR ENDED 30 JUNE 2020

#### NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

#### i) Comparative Figures

Where required by Accounting Standards comparative figures have been adjusted to conform to changes in presentation for the current year.

#### k) Trade Creditors and Other Payables

Accounts payable and other payables represent the liability standing at the end of the reporting period for goods and services received on or before 30 June that have not yet been paid. Trade accounts are normally settled within 30 days or a longer term by arrangement.

#### I) Critical Accounting Estimates and Judgements

Critical Accounting Estimates and Judgements are incorporated in the Financial Statements based on historical knowledge and best available current information. Estimates assume a reasonable estimation of future events and are based on current trends and economic data, both externally and within the company.

#### m) New Accounting Standards for Application in Future Periods

There are two Australian Accounting Standards that have become applicable in the current year as set out below, and there are no proposed Accounting Standards for the future years in relation to this company.

AASB 16 Leases is applicable in the 2020 financial year. There is a lease with respect to premises however, as the lease is subject to a "peppercorn rent" this new standard is not required to be applied this financial year. It may come to pass, that it might be applicable next financial year.

AASB 1058 Income from Not-for-Profits is now applicable from the 2020 financial year onwards. It has had no material impact in the financial accounts this year. We have to point out that there are considerable volunteer services and the financial contribution from such services cannot be reliably estimated.

The continual viability of the operation of the company is dependent upon receipt of grants. At date of this report there are no indications that grants would be adversely affected.

,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,	2020	2019
Audit fees	2,180	2,100

No other fees were paid to the auditor.

#### NOTE 17: FINANCIAL RISK MANAGEMENT

The company's financial instruments consist mainly of deposits held with banks and other financial institutions, and receivables and payables.

The main risk the company is exposed to is credit risk, liquidity risk and market risk.

#### a) Credit Risk

Receivables are largely made up of monies owing by customers in respect to sponsorship and access. Receivables are regularly monitored and there is a significant provision for doubtful debts.

After allowing for this provision for doubtful debts it is doubtful as to whether the risk is significant.

#### b) Liquidity Risks

A liquidity risk might arise when recovery of money for debtors is protracted and payables are demanded. The Directors view the cash position regularly in this area.

#### c) Market Risk

Market risk depends on the number of listeners to the radio station and also those willing to present and sponsor at a reasonable consideration. The Directors strongly encourage marketing.

# INDEPENDENT AUDIT REPORT TO THE MEMBERS OF NARWEE BAPTIST COMMUNITY BROADCASTERS LIMITED (A Company Limited by Guarantee)

ABN: 42 990 219 074

#### Report on the Financial Statements

I have audited the accompanying financial statements of Narwee Baptist Community Broadcasters Limited, which comprises the statement of financial position as at 30 June 2020, statement of comprehensive income, statement of changes in equity, statement of cash flows for the year ended, notes forming part of the financial statements and the directors' declaration.

#### Directors' Responsibility for the Financial Statements

The directors of the company are responsible for the preparation of the financial statements that gives a true and fair view in accordance with Australian Accounting Standards (including the Australian Accounting interpretations), the Corporations Act 2001 and the Not-for-profits Commission Act 2012 and for such internal control as the directors determine is necessary to enable the preparation of the financial statements that is free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

My responsibility is to express an opinion on the financial statements based on my audit. I conducted the audit in accordance with Australian Auditing Standards. Those standards require that I comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of the financial statements that gives a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for the audit opinion.

#### Independence

In conducting the audit, I have complied with the independence requirements of Sec 60-40 of the Australian Charities and Not-for-Profits Commission Act 2012 (ACNC Act) and the Corporations Act 2001. I confirm that the independence declaration required by the Australian Charities and Not-for-Profits Commission Act 2012 (ACNC Act), which has been given to the directors of Narwee Baptist Community Broadcasters Limited, would be in the same terms if given to the directors as at the time of this auditor's report.

#### **Limitation of Scope**

a) The audit is confined to an examination of monies receipted by Narwee Baptist Community Broadcasters Limited. It is impractical for an audit to cover all monies received or in constructive trust for this company until such time as it is clearly recorded.

The audit opinions expressed on this report have been formed on the above basis.

#### Opinion

In my opinion, the financial statements of Narwee Baptist Community Broadcasters Limited is in accordance with Division 60 of Australian Charities and Not-for-Profits Commission Act 2012 (ACNC Act), including:

- giving a true and fair view of the company's financial position as at 30 June 2020 and of its performance for the year ended on that date; and
- II. complying with Australian Accounting Standards, the Corporations Regulations 2001 and Division 60 of the Australian Charities and Not-for Profit Commission Regulations
